World Leader in Communications Headsets

Spring Forward with

Plantronics First Completely Wireless Headset

When you're on the phone, the information you need may not be in front of you. It may be in the next office or down the hall. To keep up with business, you need to move; you need to stay in touch. You need Plantronics revolutionary new CS50 wireless office headset system. Now you can enjoy 'Walk and Talk' Freedom and roam 300 feet from your desk, giving you the freedom to think on your feet, multi-task, and interact with everyone around you without missing important calls.
